Baltic Sea Indigenous
Court

Decisions of Baltic Sea Indigenous Court on the Criminal Nuclear War Systems of the Iron Death Cage conference-court X

In the network of the holy Internet

Skype *BaltijasSaule* and Youtube channels *FreeLatvia*, *RadioactiveBSR*, *Baltic Sea Indigenous* etc. form the Initial meetings between August 17 and September 9th (1)2017 into ongoing courts of justice.

A series of originally quarterly week-long Conferences-Courts

International Foundation for Research on Radioactivity Risk, www.IFRRR.org, proudly presents the decisions of the tenth of the conference-courts organized by Baltic Sea Region Radioactivity Watch and Baltic Sea Indigenous Court in holy Ropaži, Latvia and holy Jordbro, Sweden. The goal of the conference entitled: *Criminalize Nuclear War Systems (CNWS)* is to establish a platform for a global network of independent indigenous judges aimed at criminalising the current death cult systems that have brought us to the risk of Nuclear War and offering solutions to achieve safe systems. The strategy is to try to find a way of ignoring the statements of military and corporate businesses and to present radically honest work by independent scientists spreading their findings to those still fully alive and not bio-robotised.

Iron Death Cage

In sociology, the iron cage is a term coined by Max Weber for the increased rationalization inherent in social life, particularly in Western capitalist societies. The "iron cage" thus traps individuals in systems based purely on teleological efficiency, rational calculation and control, by others called as weapons of math-destruction. Weber also described the

bureaucratization of social order as "the polar night of icy darkness". The original German term is stahlhartes Gehäuse; this was translated into "iron cage", an expression made familiar to English language speakers by Talcott Parsons in his 1930 translation of Weber's *The Protestant Ethic and the Spirit of Capitalism*.

Baltic Sea Indigenous Court has concluded that the Iron Cage is furthermore a Death Cage as our children have been trapped without a chance to survive in this suicidal cult where the whole matrix of Nuclear War Systems is trapping them to take their lives.

Common and natural law vs Roman law.

The commonly cited objective and justification for invoking criminal law is harm to others, but it cannot deal with all important situations. For example, people are not necessarily harmed by public nudity, that has been criminalised, but they can be mass murdered by conspiracies and corporations, that have been profiting at everybody's expense while destroying the wealth of all living.

People experience a range of physical and social injuries in different contexts which will vary according to the level of economic and political development of their country. Some will be injured out of poverty and malnutrition, others by violence which might stem from a major conflict such as war or from personal violence in a robbery. The environment may be damaged by pollution, there may be hazards at work. The extent to which behavior which is considered morally wrong in a given jurisdiction should be criminalized has been controversial in Roman law.

Lying or breaking promises have not been in general criminalised in Roman law courts, and this is consistent with the concept of sins that shall be forgiven, creating the frame of ongoing sins and betrayal that has been a scientifically globally imposed concept discussed by Friedrich Hayek.

Lying or breaking promises has always been criminal in the indigenous courts of common and natural law and sins are not part of the indigenous culture. There is no need to sin in the gift economy that is based upon a concept of abundance where everything is shared quite equally and the very culture is the law of heart-consciousness. There is no business of profit for private gain in indigenous culture, only loving welfare for all and the best for future generations.

Indigenous diarchs instead of hidden global governors/mass murderers

The hidden rulers and secret global governments, that are part of the current disastrous Criminal Nuclear War Systems, have been challenged by the diarchs of Godland to stop the

irresponsible global suicide, by proclamation of the rule of the diarchs, Ditta and Leif of Godland stop the era of invisible ghosts ruling endless wars of mass genocide.

The Method which is introduced is to encourage any racial, ethnogenetical and language group to establish a welfare society for its members through their indigenous leadership, courts and oxa money, redistributing the planetary resources justly among the native peoples and citizens of their lands.

Procedure

First of all a State has to be established as most of the countries do not have any States any more as they have been turned into private corporations that have occupied local people's natural inheritance and taken them into corporate slavery bondage. When the corporations pretending to be a State had debates whether to respond to a source of injury by criminalising the behaviour that produces it, there have been no pre-set criteria to apply in formulating social policy. There was no ontological reality to crime. The criminal justice system responded to a substantial number of events that did not produce significant hardship to individual citizens. Moreover, events which did cause serious injuries and should be dealt with as crimes, e.g. situations of corporate manslaughter, have previously been either ignored or dealt with as civil matters.

The criminalisation process defines and classifies behaviour. It broadcasts the laws so that no-one may have the excuse of ignorance, and disposes of those who will not obey. Modern Roman law created more criminal laws than ever and they have been penetrating deep into the social structures of all societies. Crime control has become an industry, yet it remained ineffective in providing protection to all its citizens from more harm than ever before. Most importantly it has been the frame in which the civilization has been broken down to modern feudalism and the consequence of the threat of total apocalyptic extinction.

Roman Pontiff is NULLIFIED

To stop the staged death of civilisations Diarchs Ditta and Leif of Godland have declared to

BE IT KNOWN that as of June 11, 12017 (10' added indigenous) the UNAM SANCTUM of 1302 which declares it "absolutely necessary for salvation that every human creature be subject to the Roman Pontiff" is NULLIFIED. The Universe, inclusive of Earth, is returned to all men and women alive, THE RIGHTFUL HUMAN HEIRS OF CREATION.

BE IT KNOWN that as of June 11, 12017 the United Nations, Vatican City parent corporation, is FORCLOSED. Vatican City is REPOSSESSED. The office of "Pontiff" is RETIRED. The Vatican is officially and lawfully DIVESTED OF POWER.

BE IT FURTHER KNOWN that all encyclicals, bulls, orders, decrees, and statements coming out of the Vatican City State or through any of its representatives are NULL AND VOID UPON INCEPTION.

BE IT FURTHER KNOWN that the **genocidal global banking system** is canceled by this document and others like **Bank Charters Cancelled** on Oct 24 2012: (Refer: TRUE BILL: WA DC UCC Doc# 2012114776 Oct 24 2012)

BE IT FURTHER KNOWN that as of Declaration on June 10, 12017, under the court decision of March 7, 12016 Diarchs of Godland convicted the corporation LR MINISTRU KABINETS pretending to be representatives of state, and LR MINISTRU KABINETS officers are convicted of fraud, extortion, human trafficking, involuntary servitude, murder, high treason, and crimes against humanity, **all Vatican controlled corporate governmental powers and authority are revoked and nullified and all such personnel are hereby ordered to immediately prepare Indigenous Decentralisation.**

Whereas Ditta & Leif of Godland have declared Indigenous Decentralisation on any and all corporate CHARTERS of all business corporations pretending to be governments of peoples of all 200 states of the world such as Switzerland, Austria, Vatican, China, Japan, City of London, Russia, Israel, DC Columbia, The United States Federal Government, UNITED STATES of America, "STATE of ...", business corporation United Nations registered i New York, Inclusive of any and all abbreviations, idem sonans, or other legal, financial or managerial forms, any and all international equivalents, inclusive of any and all OFFICES, inclusive of any and all OFFICERS, PUBLIC SERVANTS, EXECUTIVE ORDERS, TREATIES, CONSTITUTIONS, MEMBERSHIP, ACTS, and any and all other contracts and agreements made thereunder and thereby, are now, void, worthless, or otherwise cancelled, unrebuted;

WHEREAS the conditions set forth by the Rulers of Godland fr 11.6.12017 and Baltic Sea Indigenous Court order fr 7.3.12016, have been breached; and WHEREAS clause 29 among other states: "Breaches of these clauses shall result in reprisals;" and WHEREAS, according to International Law, a reprisal is an act of restoration, short of war, for damage or loss suffered; and WHEREAS on 1st of June, 12015, an indigenous peoples court, the Baltic Sea Indigenous Court, was reestablished; and WHEREAS the needs and aspirations of each man and woman are therefore protected by the wise and loving indigenous elders; WHEREAS Indigenous people of Latvia have used their own traditional ancient wisdom and have reestablished Indigenous law through recent declarations (<http://www.labie.lv/deklaracijas/>), Latvian Society Latvian Honor Court had 15.20.15 among others reestablished following laws for the Indigenous People

3. Traditional structures of INDIGENOUS men and women make orders to county and state executives (*PAMATIEDZĪVOTĀJU tradicionālās pašnoteikšanās struktūras rīko pašvaldību un valsts izpildvaras*)
4. Traditional structures consist of INDIGENOUS Courts and INDIGENOUS konns/-as who represent INDIGENOUS people (*PAMATIEDZĪVOTĀJU tradicionālās pašnoteikšanās struktūras sastāv no ķēniņiem/-nēm kas pārstāv viņus/-as izraudzījušās dzimtas un PAMATIEDZĪVOTĀJU Goda tiesām*)
5. County and state institutions have to know INDIGENOUS rights and to implement them (*pašvaldībām un valsts institūciju darbiniekiem ir jāzin PAMATIEDZĪVOTĀJU tiesības un jāīsteno tās*)

NOW, THEREFORE, BE IT RESOLVED by the Baltic Sea Indigenous Court on behalf of Konns of Godland that the will of the Konns of Godland be fulfilled and immediate action taken to **re-establish the structures of legitimate states.**

For Latvijas Republika use statutes of state founding structures from 1938 starting with the Statutes of the central foreign occupying structure – by Latvian Society nationalised central bank Latvijas Banka <http://www.labie.lv/wp-content/uploads/2013/04/centr%C4%81lbankas-statuti-19.g.pdf> .

Be it known that by a written document, dated 11.06.17 , Ditta and Leif of Godland re-established peace and the structures of legitimate state Latvijas Republika using statutes of state 's basic organisations from 1938, before it was occupied by any foreign military troops or foreign banks. This goal is achieved by Structure Investigations and dismantling of those found to be foreign colonizing private structures and rebuilding the base of our origin - Indigenous World Order, through Indigenous Decentralisation.

Monarchy State Sweden

As Monarch of State Sweden, Leif Erlingsson has proclaimed a legitimate state for the Swedish nation, and has freed everybody from previous contracts and agreements with foreign corporations. The proclamation has been registered 8.9.17. at the Nacka District Court in connection with public testimony in courtroom before about 100 professional participants, where the Indigenous Court's decision on the method of disposal of spent nuclear fuel was submitted.

It is the one who has the Power to create money who has the real power. Monarch of State Sweden has given the real power back to The People. All forms of war have become criminalized and prohibited.

Holocaust of Swedes ends NOW!

Monarchy State Sweden is part of Godland through Diarchy with Ditta of Godland, Ditta af Östersjöväldet, Konna of Godland – Ditta Rietuma.

State Latvian Republik president

Ditta Rietuma is also President of state Republic Latvia. Monarchy State Sweden and State Republic Latvia are thus two states that acknowledge each other. State Republic Latvia's re-establishment documents are available at <http://www.latvijasrepublika.info/>.

Right here and now though ,the IV Roman Reich syndicate through privately owned corporation NORDEA bank from Sweden, and foreign private courts pretending to represent state, are trying to expropriate the last and only Latvian society, registered on Statutes fr 1938, legitimately restauring state "Latvijas Republika", established 18.11.1918 and still not renewed, but fraudulently being replaced by Rothchild, Soros, Crown etc corporations that occupy Latvia. This III WW is financial and media war through illegitimate inforced laws.

F ex Bank Nordea is in criminal conspiracy with central banks. NORDEA ows Ditta Rietuma and Pr Chris Busby 37,5 million Euros as Nordea has not returned their skeem contracts and still hold them in their fraudfull system receiving 25 times more money from Rothchild private centralbank Latvijas Banka that goes around some 10 times a year. But NORDEA wins in Sigulda court - ex of systemic fraud that has made almost a third of Latvias population to leave Latvia and the rest to live in a death camp like conditions of foreign law and bank tyranny.

A pretence bailiff refusing to legitimize his identity and respond to structure evaluation has sold on digitalised automatic IT sale land and home "Izumi" of indigenous family of Ditta Rietuma, konna of Godland. "Izumi" in Villasmuiža, Ropazu district in Latvia is even the land hired by Ditta Rietuma to society "Latviešu Biedrība" that is the founding block of state "Latvijas Republika" that has through fraud been stolen by Roman Reich conglomerat. "Izumi" is even the registered address of Latvian Society "Latviešu Biedrība". Farm "Izumi" is the holy land on the border between ancient Latvian tribes Livi and Lotgolians with one of the very last Indigenous oak temples, pagan baptizing and adulthood Inauguration chapels. In Europe all pagan temples have been forbidden and are still being exterminated and their keepers kept under complex inquisition. Roman Reich gets properties.

Holocaust of Latvians ends NOW!

Holy witnesses suspected for crimes of Genocide

This Declaration of Peace was issued in June to escape need to arrest and detain to examine in sheriff's facilities Georg Soros, Pope Francis, Vaira Vike Freiberga, Ināra Murniece, Raimonds Vējonis, Einars Repse, central banker Ilmars Rimsevics, Dzintars Rasnačs, Andrejs Sonciks, Ilze Cirule, Kaspars Abolins, Inese Gailite, Jurijs Strods, Edwin Balsivics, pretence bailiff Raimonds Mezins, pretence judges Maija Dreimane, Ilze Apse for crimes of genocide towards indigenous people, and war crimes towards legitimate state Latvijas Republika citizens.

All militia and National Guard are deputized to carry out this warrant in case of resistance to re-establishment of legitimate state Latvijas Republika with state owned central bank and 49 commercial banks of the state as well as establishment of 3000 local ethnogenetical societies that employ all deputies as well as indigenous rights according to the 9 declarations of indigenous people of Latvia and Baltic Sea area, found on <http://www.labie.lv/deklaracijas/>.

We are satisfied that there is probable cause for IMMEDIATE ARREST of any man or woman resisting re-establishment of 2 legitimate states Latvijas Republika and Monarchy State Sweden as it is in the best interest of the safety and well-being of humanity to stop nuclear war systems.

Criminalising corporations of Iron Death Cage

The Criminalisation process is made up of three components:

1. **Creation of a social order.** This is both a socio-economic process, a fundamental ordering of social relations so that those things necessary for social survival can be produced and distributed in some predictable fashion and an ideological process so that there can be a development of values, beliefs, and ideas related to the concrete tasks of production and distribution. Thus, the Diarchs of Godland develop restoration of the indigenous apparatus of law creation, law enforcement and punishment and the system is acceptable to the majority of those who live in the community as it is based on the common sense and heart consciousness of local indigenous people. If the laws do not match the general mores, their enforcement will be a source of friction and disharmony. Conformity to the social order must, for the most part, be self-enforced.
2. For those times when self-enforcement fails, society must create **a legal order.** This part of the process sees the centralisation of power within the institutions of the political state. Some states justified the criminalisation process as demonstrating their concerns about safety and security, the policy of control, policing, criminal justice, and penal practice. The corporate states had privatised the functions of the

administration of billions of people into a very centralized grid totally controlled by VISA and MASTERCARD corporation owners. Diarchs are decentralising the global network by giving power back to the native people of each region. This is changing the character and content of the remaining institutions of the state which must now work co-operatively with indigenous peoples. This order is centralized by the fact that it is controlled by the Diarchs who are installing an Indigenous University for education of indigenous people, loyal management providers and the rehabilitation of the violent mass murderous employees who will now be leaving the corporations in great numbers and need support and de-programming from their violent bio-robotisation experiences.

3. Each member of the previous **political order must realign to the local indigenous people** of the district **through Indigenous Decentralisation**, so that the recharged political entities such as managers, legislators and judges set agreed targets for indigenous state control and then produce actual outputs of the legal indigenous order, i.e. of people defined as engaged in criminal corporations and processed out of that criminal system, while the corporation is being resized into structures loyal to and manageable by the local indigenous peoples.

Criminal Nuclear War Systems

Criminal Nuclear War Systems are the material and socio-economic systems created and maintained by criminal corporations that use these systems for totalitarian goals of absolute control, enslavement and mass murder of the peoples through severe risk of apocalyptic destruction of all life. CNW corporations are big employers and involve dependent masses in the industries that are staging apocalyptic events.

Such CNWS corporations have infiltrated and are pretending to be governments, religious orders, banks and insurance, media and communications, security and defence, health and environment protectors.

Investigating Criminal Nuclear War Systems

Nuclear wars systems are the latest form of war, racism and other lethal discrimination methodologies.

Material

Therefore the material of CNWS consists of all weapons of war and mass murder, artificially created lack of basic and community resources, and in democide and genocide involving whole matrices of technical devices, machinery and buildings.

Itemized more fully, the material CNWS consist of

- 1) All weapons of war and mass murder - Nuclear weapons, biological weapons, chemical weapons, scalar weapons, and conventional weapons, for attack on humans. Drugs, alcohol, and nicotine are also used as as weapon.
- 2) Money as weapon of discrimination, racism and genocide
 - a) Artificially created lack of basic resources – water, food, housing, comfort and reproduction networks, clothing, farming land, telecommunications, sustainable labor network, tools for protection, transportation vehicles.
 - b) Artificially created lack of community resources - housing for ethnogenetical and language protection societies of any group, electricity, petrol, free energy, courts, local money, cooperative banking, media, indigenous temples, hospitals, local native militia.
- 3) In democide and genocide structures and processes involved whole matrices of technical devices, machinery and buildings.
- 4) Humans involved in CNWS are of various racial, ethnogenetical and language groups, but some are more dominant than others. Groups involved in planning and financing of CNWS have to be established and reordered to stop the apocalyptic events of global genocide.

Social

- 5) De-population plans of secret rulers (Agenda 21, Barbra Spectre warnings, 3 war plan of Illuminati to gain world order)
- 6) Disinformation weapons – within law (fraud of calling law - rules imposed without personal acceptance) and courts, media, education, governance, religion, banks, security, health and environment.
- 7) Illegal social constructions as weapons of mass destruction – as corporations that are dead, unhuman, unreliable, irresponsible, immortal personas that have committed the worst possible genocide and democide acts through employees.
- 8) Irresponsible employment systems as excuse for genocidal acts
- 9) Destruction of law-concept - fraud of calling law mainly unlawful policies and rules imposed without acceptance
- 10) Social aspect of Money as weapon of discrimination, racism and mass destruction
- 11) Destruction of gift economy reality, that is the base of all nature laws
- 12) Destruction of morality and heart consciousness closely tied to destruction of gift economy, as business conceptually is based on immoral, feudal and even destructive profitability bases.
- 13) Social systems of housing as a concentration/death camp
- 14) Destruction of self-governing units - from a one man one woman independent reality, to families, farms, villages, areas, regions...
- 15) The social process of destruction of sacred feminine and male identity as the cult of fertility
- 16) Imposing of monogamy

- 17) Abortion industry as mass murder
- 18) Imposing of Satanic religions on children and grown ups
- 19) Fertility and health destruction by WIFI, mobiles and data generator masts
- 20) Radiation risk prediction modeling as a weapon of mass destruction, where ECRR/ model has to be used instead of ICRP.
- 21) Social process of ongoing nuclear contamination war, by bomb testing, nuclear powerplants, and ecologically impossible nuclear waste disposal
- 22) Food and water supplements by Corpus Alimentarius
- 23) Air, food and water poisons by chemtrails as chemical weapons
- 24) Lack of real money as mass murder of the unborn children as parents can't afford even the tiny expenses
- 25) Destruction of family, kin and race to leave these structures unprotected and diminishing.
- 26) Stealing of children and grandchildren by corporate social service entities for profit, child trafficking and paedophilia
- 27) organized crime in psychiatry by lack of loving environment treatments, lack of resources for terrorised exhausted people robbed by the corporations and poisoned by pharmaceutical/medical combine.
- 28) matrices of mainstream mind control methods for controlling the masses through media and apparent entertainment
- 29) Storing the elderly in environments of no or too little contact with the new generation to leave them in lack of experience of the elderly advice protection
- 30) Storing the young in mass storage schools with education that is more like slave bi-robotisation with too little contact with their families
- 31) Forced identification, registration and taxation with one geographical unit that has no competition, living in enforced no choice trap – death camp
- 32) Stealing of wealth – holding conceptual frame of automatized stealth of all wealth through transatlantic trade agreements, exports,
- 33) Enforced automic digitalization of all wealth-acquiring processes that results in bi-robotisation of people in a totalitarian system with no chance for any impact on it.
- 34) mainstream hidden forms of slave labour – from effective and high technology to primitive, but always with far too many working hours and too little insurance and contamination exposure compensation, people would work only a couple of months in a 100 year life if the resources were managed effectively in a real state where citizens are stake holders at last.
- 35) The social process of destruction of environment that erases endless wealth
- 36) Destruction of all sorts of species of life forms, that erases endless wealth
- 37) Stealing of planetary resources by a tiny irresponsible group of robber barons and mass murderers – totalitarian psychopaths, aliens
- 38) Cannibalism (Skull and Bones rituals of sacrifice of Indigenous peoples)
- 39) Paedophilia (global Pizz Gate)
- 40) banking as hypnotic social service with criminally unjustly monopolises crucial technology

Divine

- 41) Schizophrenic demands for one God though people pray to thousands of various divinities.
- 42) Cannibal and Death Cult religion takeover hiding the living Gods and saints
- 43) Fraud of atheism to stop the Gods creation of Divine reality on Earth
- 44) Establishing Kings that are not directly chosen by the living Gods of Love, Peace and Understanding, and leaving Gods Kings resourceless
- 45) Systemic elimination of Love from the conceptual social realities to induce fear and hate as global Satanic cult

Primary parameters in Indigenous Decentralization

Independent supreme judges of the “BSIC / CNWS X” hereby provide SOS decisions for parameters of systemic errors of Nuclear War Systems to be replaced by safe indigenous systems creating thriving societies of Peace-Love-Understanding. These are the orders. Indeed - not following them will keep the society close to the risk of extinction. This is not a drill, but true emergency and a real solution.

Method is scientific and administrative - to criminalize genocidal systems without hurting people within them and to speed up the processes of updating healthy systems.

Referee judges of CNWS agreed on the following primary parameters in Indigenous Decentralization of the matrix of Criminal Nuclear War Systems (CNWS).

1. We rely on the wisdom and virtues of local indigenous people as a fundamental love civilisation to manage the lands and property of their predecessors and to restore the power systems and teach the next generations.
2. We decentralise the global New World Order corporation networks that have replaced sovereign states by corrupting the governments and parliaments through godless laws and monetary fraud and submit all the corporations to Indigenous Decentralisation by locals.
3. We use the ECRR- radiation risk model, instead of ICRP, to predict radioactivity risk. We forbid mind control technologies, WIFI and data overexposure of children and grownups.
4. We decentralise Nuclear and other attack war weapons producing industries.
5. We decentralise all scientific and education institutions that support the concepts of nuclear war systems and war as such.
6. We decentralise all global financial war economy corporations – as IMF, Holy Sea, World Bank, Bis.org, Unidroit.org, etc and call for a Bretton Woods II type meeting for sovereign National currencies to be based upon and attached to Indigenous oxa money that is self-created and accounted at Indigenous court, and is backed by the living seeds and the loving spirits. We decentralise commercial banks that are not

- loyal to Indigenous people and we start by decentralizing the ones that finance nuclear war possibility.
7. We decentralize all housing and land management corporations to be managed by indigenous people.
 8. We decentralise corporate administrative institutions of courts and governments that can not prove their loyalty to indigenous people and are found guilty administering expropriation of property and offspring of local people as well as in other forms of genocide
 9. We decentralise corporate media that induces bio-robotisation of people.
 10. We decentralise religious institutions that stop human communication with the higher forces and support nuclear war systems. We forbid Satanism and the sekts that cultivate it.
 11. We decentralise institutions destroying health and environment.
 12. We deconstruct corporations as NATO-OTAN, Pravitelstvo RF in Russia, Ministry of State Security in China Peoples Rep and all other military corporations and war mangling companies that are not loyal to indigenous peoples.
 13. We deconstruct UN and EURATOM as the source of European Federation etc.
 14. We Love every human being, Protect their divine rights and Understand them. We endorse all Gods of Love, Peace and Understanding. Tax shall not exceed 1/10 and shall not support any Satanist activities and war mangling.

Accusations

An organized system of abduction, exploitation, torture, exile and murder of large numbers of women, men and children by nuclear war systems appears to exist in Latvia, and it is operated by fraudulent corporations pretending to be structures of the state. It involves **so called** state police department, state judiciary, state government and illegitimately federal government of EU, including military. Nuclear War Systems (NWS) consist of automated and corporate administration including military industrial complex, churches, laws, courts and prisons, finance and banking, labor market, food and water industry, health insurance, pharma, land ownership, housing ownership, media, communications, energy industries, technology, education, life care corporations etc.

These fraudulent nuclear war system are highly funded and linked to criminal organizations of Satanist cannibalism in various churches, and foreign mobsters from Russia, UK, Netherlands, Rome, Israel, China, Switzerland and the USA etc., who through central banks steal the money from the nations to invest it in genocidal corporations obsessed with Satanism and imposing apocalyptic nuclear war systems on the world. It is funded in part by a massive drug trade and child trafficking, with which it is intimately connected.

This cannibal system is crusader-centuries-old and has been supplied with women, men and children of aboriginal origin with the paid collusion of lawyers, clergy and officials of

Roman Catholic and other Christian churches, and Islamic Mosques, Jewish Synagogues, and any other churches of the world, along with state-funded aboriginal leaders and officials of any of state government departments, where states are not governed by the indigenous people but are in the net of an automated and in the end suicidal mega corporation filled with people programmed into merchants-biorobots that are systemically murdering the aboriginal people (physically or by identity loss) and expropriating their lands, their homes, their oak temples as any of their resources and even their children.

IMMEDIATE ARREST

We are satisfied that there is probable cause for IMMEDIATE ARREST of any man or woman resisting re-establishment of legitimate states Latvijas Republika and Monarchy State Sweden as it is in the best interest of the safety and well-being of humanity to stop nuclear war systems that have colonized both nations.

The partial list of holy dismantler's of the Iron Death Cage

The list below consists of the people directly proven to have committed criminal acts of genocide against kin of Rietuma and those responsible indirectly by their higher position in the pyramid of genocidal regime staging the apocalyptic scenarios creating secret fascist racist planetary death camp – global Iron Death Cage.

These people are holy saints as they will be arrested or appear themselves to bring forward their statements on the kind of networks that are murdering life on Earth . Holy accused witnesses will after the testimony be given the rehabilitation and even indigenous salary if they actively engage in dismantling the fascist corporations of Iron Death Cage by contracts with Indigenous World Order of Godland and use of by indigenous self produced and by indigenous courts self accounted indigenous oxa money BIR/WIR.
