

Proclamation of Godland

Time - Laimas Metenis of 12017 (7.2.17)

People of the World ! I am Ditta of Godland, the heart of the World, and I do give You the system of Love, Peace and Understanding - through Baltic Sun Model - that You unfold through Indigenous Order of Your local priests of Loving Gods who rescue Life by establishing Your rights in 14 rays of Baltic Sun Model, and holding Your indigenous courts, as Baltic Sea Indigenous Court ([youtube.com/radioactivebsr](https://www.youtube.com/radioactivebsr)) that has criminalised nuclear war systems.

You will be told by the scared that I do not know what I proclaim. Believe them not. Tell them that I restore your rights, give vacation to your usurpers, lovingly dismantle the godless giants and revive the true worship of Your Gods, as long as it is not Satan or other blood sucking vampire.

Tell them that all men are equal in the sight of Gods; that capacity to love and protect, persons wisdom, talents, and virtue of heart-consciousness alone constitute the difference between them. And what are the virtues which distinguish Your oppressors, that entitle them to appropriate all the enjoyments of life to themselves? If Your country is their farm, let them show their lease from Gods (not Satan/Lucifer) by which they hold it. If the fine estates are occupied by Your oppressors that are chosen by their narcissist ability to lead democide and genocide, proclaim Ditta of Godland as Your protector. Gods are just and merciful, and they have ordained that the empire of the New World Order of permanent wars and terror then comes to an end.

Thrice happy those who shall side with Ditta of Godland; they shall prosper in their fortune and their rank. Happy they who shall be neutral; they will have time to become acquainted with us, and will range themselves upon the side of the Gods of Love and Fertility. But woe, threefold woe to those who shall arm for the Satanist narcissism wars and fight against us. For them there will be no hope; they shall perish in Hell!

I do Love each one of You and I do pray that You are a power of Love.

I proclaim Baltic Indigenous Bank to be the living systems preserving responsible reserve bank of the world. I do emit a *quadrillion of Baltic Indigenous Runes* currency (1 BIR = 1 Euro) for Your needs of restauring Your societies, but to get them You have to establish Your own local justice coupoues for every persons basic needs. You controle Yourself the coupoues as responsible and loving kons/-as. Your coupoues are prior to BIR currency.

The Gods are with us! We are their arms and eyes!

I LOVE

Ditta of Godland
