

Human meritocracy public trust Godland Human Earth Bond Trust statement of by
World Indigenous Human Love Order of Godland
restored **Human's Earth Heritage Bond of Godland** by diarchs Ditta and Leif of Godland,
as public trust managers for each human, tribe, nation of Humanity.

Reg-Nr in Registry of Godland Earth Bonds is 00000000001.

This states each human as an owner of

1 share of 7 928 800 000 shares (on date 19.2.(1)2022)

**one share of seven milliard nine hundred twenty eight million eight hundred thousand shares
of all material and nonmaterial value of Earth/Terra.**

Corporations do not own anything as they are not alive. All corporations are reconstructed to be
public trusts of Humanity, with verified, validated, transparent and trustworthy leadership.

This share, of whole Earths estates movable and immovable property, stays in Humans kin's
property for ever, for all times to come, and is passed forward through generations, adjusting to the
current lovingly wisely openly through Indigenous Althing's controlled amount of humans on
predecessor lands, sharing adjusted amount of all available resources, for welfare secured
reproduction notes (bonds).

Safe traditional oxa WIR currency is created and managed by indigenous people.

Sovereignly authorised property heritage bond of each human cannot be sold or bought.

*We advanced, in Long Scale continental number, One Y (Yotta), or Quadrillion WIR sum
1 000 000 000 000 000 000 000 000 WIR (World Indigenous Runes)
of oxa, 10.6.(1)2017, towards carrying on Indigenous Decentralisation of the war economy
CoRporations of the world to restore the primary goals of common good, under the leadership
of indigenous culture bearers of peace, love and understanding.*

We state that a Quadrillion (1 followed by 24 zeros) of WIR currency oxa (not debt), in wooden coins,
tally sticks and paper notes, or other currencies, checks and bonds, are hereafter shared equally for
each humans livelihood on Earth, as lawful agreements appearing from lawful and trusted Godland

Human Earth Bond Trust trustees Ditta and Leif of Godland, who are merited insurers of
reconstruction of current Death Cult War Economy system into World Indigenous Human Love
Order Economy system, ruled by councils of local indigenous chiefs, establishing lawful national
governments, in agreement hierarchy of courts, banks, audits and militia of Godland. System is
based on shares and quotas, interest free banking, tax is later forbidden.

We install humanity as owners of all stocks and bonds of Human Civilisation in through nationalization of Vatican transparently Taken Back our public Cestui Que Vie Trusts, that establish now truthful world GESARA, regional unions, national states etc, who all are ruled by local indigenous highest chiefs or their current merited representatives, who have agreements with administrators of indigenous, national, regional and world Humanities Earth Heritage Bonds.

One Quadrillion WIR is shared with **7 928 800 000** humans, therefore *each human has now stock of c a 126 T (Tera), or c a 126 Billion of WIR in Long Scale numerals, or c a 126 Trillion WIR in Short Scale SS numerals*

126 122 490 162 445 WIR (World Indigenous Runes)

One hundred twenty six billion one hundred twenty two milliard four hundred ninety million one hundred sixty two thousand four hundred forty five WIR of oxa, 10.6.(1)2017, towards carrying on Indigenous Decentralisation of the war economy CoRporations of the world to restore the primary goals of common good, under the leadership of indigenous culture bearers of peace, love and understanding.

Annual bond share is 1/100 of the bond. Annually 1 Billion goes to worldwide welfare creation of reformed corporations and earthly gifts, leaving c a 261 Milliard annually for each humans regional creation shared on 1/10 for village governance, 1/10 for county, 1/10 for state, 1/10 for regional union, and 6/10 for indigenous governance.
